Membership of the IAME ATRA Division will ensure that you are part of a very skilled and dedicated Network. The ATRA Division Newsletter will provide technical information sourced specifically for the Automatic Transmission Industry. Renowned experts are invited to present to the ATRA Seminar, and the committee is constantly in touch with members to identify and provide the services and technology updates required to keep members at the forefront of this very specialised section of the Automotive Industry.

To join simply complete the ATRA Application form.
