The IAME continues to develop membership benefits, giving careful consideration to selected products and services, that translate into tangible benefits to members that are not widely available to the general public. IAME benefits are designed to save money on products and services that more than offset the cost of membership.

The growing range of products is selected to benefit individual members and business operators alike.

Visit the IAME website for details and opportunities to become more involved in your industry, member services and links to associated industry bodies.
